*Por qué duele el amor. Una explicación sociológica* Eva Illouz,2012 Todos hemos sufrido a causa de las relaciones amorosas ya sea por amar a alguien que no se compromete al ser abandonados por un amante que nos partió el corazón o cuando regresamos solos de una fiesta o fracasamos en una cita a ciegas Y a pesar de lo generalizado de estas experiencias solemos creer que estas dificultades son resultado de problemas personales de un trauma infantil o de nuestra propia inmadurez lo que casi siempre termina por producir dolorosos mecanismos de autoinculpación

**Cuando duele el amor** Marcelo R. Ceberio,Raquel Maresma,2022-05-17 De lectura simple pero profunda este libro es una invitación a pensar la propia pareja a partir de las narraciones de otras De este modo uno puede identificarse produciéndose así un efecto de proyección personal aunque se hable de otros A nivel teórico las diversas disquisiciones y conceptualizaciones sobre el amor y la pareja completan un panorama que tiene un doble objetivo mejorar la calidad de vida en pareja y profundizar en las vicisitudes amorosas En la primera parte de este libro Marcelo Ceberio y Raquel Maresma desarrollan algunas reflexiones teóricas sobre el amor y las relaciones de parejas que permiten al lector deambular por diferentes creencias acerca de estos conceptos La segunda parte está compuesta por ocho historias reales de parejas en terapia con final abierto que los autores han recopilado y novelado preservando la identidad de sus protagonistas Cada terapia es única e irrepetible y un enorme desafío para la pareja en pos de su crecimiento y para el terapeuta que debe ayudarla a resolver sus problemas acompañándola en ese difícil trayecto de la vida

**Cuando Duele El Amor** Marcelo R. Ceberio,2022-10-04 Each therapy is unique and unrepeatable and also a huge challenge for the couple in pursuit of their growth and for the therapist in his role of helping her solve her problems and accompanying her on that journey through life Simple but profound reading this book is an invitation to think about one's own couple listening to the stories of others Thus a personal projection effect is produced by which while talking about others one is listening to a story with which one can identify At a theoretical level the various disquisitions and conceptualizations about love and the couple complete a picture of this experience that has a double objective to improve the quality of life as a couple and to delve into the vicissitudes of love In this book Marcelo R Ceberio and Raquel Maresma develop in the first part of the text some theoretical reflections on love and couples which allow the reader to wander through different beliefs about love and relationships The second part is made up of Therapy stories with an open ending where the authors have compiled and fictionalized eight true stories of couples in therapy preserving the identity of the protagonists

*El amor no duele* Montse Barderi,2016-05-02 El primer manual para darle un sentido a la vida más allá del amor dirigido a mujeres atrapadas en una relación sin sentido Este libro está dirigido a todas aquellas mujeres que están apegadas a una relación que no las hace felices Que están enamoradas de alguien que no les corresponde y que dedican buena parte de su tiempo y energías en conseguir que su pareja las quiera A diferencia de otros libros no trata esta dependencia tóxica como un trastorno afectivo ni como una enfermedad Porque amar y ser amada igual que amar sin ser correspondida depende en gran medida de la suerte pero una mala relación puede transformarse en algo positivo si aprendemos a canalizar toda esa pasión y ansias de vivir en una misma De eso trata este libro de construir una vida interesante relevante y satisfactoria con el fin de superar relaciones que no están a nuestra altura De conquistar la libertad necesaria para conocer otras formas de amor empezando por el amor propio La autora nos ofrece tanto un enfoque teórico como práctico de una materia que por desgracia no está en los centros educativos una buena educación afectiva y algunas de las claves del arte de vivir

**Why Love Hurts** Eva Illouz,2013-05-20 Few of us have been spared the agonies of intimate relationships They come in many shapes loving a man or a woman who will not commit to us being heartbroken when we're abandoned by a lover engaging in Sisyphean internet searches coming back lonely from bars parties or blind dates feeling bored in a relationship that is so much less than we had envisaged these are only some of the ways in which the search for love is a difficult and often painful experience Despite the widespread and almost collective character of these experiences our culture insists they are the result of faulty or insufficiently mature psyches For many the Freudian idea that the family designs the pattern of an individual's erotic career has been the main explanation for why and how we fail to find or sustain love Psychoanalysis and popular psychology have succeeded spectacularly in convincing us that individuals bear responsibility for the misery of their romantic and erotic lives The purpose of this book is to change our way of thinking about what is wrong in modern relationships The problem is not dysfunctional childhoods or insufficiently self-aware psyches but rather the institutional forces shaping how we love The argument of this book is that the modern romantic experience is shaped by a fundamental transformation in the ecology and architecture of romantic choice The samples from which men and women choose a partner the modes of evaluating prospective partners the very importance of choice and autonomy and what people imagine to be the spectrum of their choices all these aspects of choice have transformed the very core of the will how we want a partner the sense of worth bestowed by relationships and the organization of desire This book does to love what Marx did to commodities it shows that it is shaped by social relations and institutions and that it circulates in a marketplace of unequal actors

**Cuando el Amor Duele / Мучеництво** Ikeli O'farrell,2020-11-24 Cuando el amor duele son todos esos días en los que no puedes salir de la cama en los que no quieres hablar con nadie y tienes un dolor invisible por dentro que nadie ve Es el dolor en silencio es un día gris en la ciudad es el recuerdo de fotos antiguas de mensajes de aquellas canciones que son directamente esa persona y de los lugares que han marcado tu vida junto a alguien Cuando el amor duele son esas heridas que van por debajo de la piel son ilusiones partidas por la mitad son discusiones internas entre luchar por lo que amas o huir de lo que te destruye En la vida hay marcas que aunque no se vean te acompañan a todas partes es como cargar con el peso de una mochila a la espalda es vestirse cada día con la inseguridad y con el miedo de que te vuelvan a destrozar

**El Amor no duele** Carlos Casaleiz Linero ,2023-02-20 La violencia de género es un grave problema de salud pública a nivel mundial. A menudo al tratar el tema nos fijamos en la realidad de los adultos o en el ámbito de la infancia dejando de lado una fase del desarrollo especialmente delicada la adolescencia. Pero ¿qué sucede cuando la violencia entra en la vida de un adolescente? ¿Cómo reconocerlo y qué herramientas preventivas adoptar? El libro está dirigido a profesionales que trabajan con niños en la escuela o en otros contextos educativos con un doble objetivo. Por un lado ayudar a profesores, padres y madres y otros operadores sobre los comportamientos y dinámicas que se caracterizan por tener un impacto sobre la salud de los jóvenes. Por otro lado ofrecer herramientas útiles para pensar y realizar intervenciones de prevención con adolescentes para acompañarlos en un camino educativo hacia relaciones igualitarias, respetuosas y nunca violentas.

**Una Relación de Pareja Saludable.** Rafael Zarate Mendez, Rafael Zarate Mendez MR, 2016-12-13 La relación de pareja es una bella experiencia que inicia con la magia del enamoramiento y termina con la maravilla del sentimiento del amor. Pero para llegar al amor pasamos por una serie de vivencias que no todos se atreven a vivirlo por eso hay personas que deciden estar solas o hay constantes rupturas de relación. Cada persona puede dar un significado diferente al amor de acuerdo a la experiencia que ha tenido en sus relaciones de pareja. Algunas personas pueden decir que el amor es bello otros pueden decir que es doloroso cada quien le da el significado de acuerdo a su experiencia. La realidad es que el amor no es bello ni doloroso el amor es el sentimiento de conexión con la Fuente. Lo bello o doloroso depende de cómo llevamos la relación y se ha comprobado que en la relación de pareja son nuestros sentimientos y emociones los que afloran en el día a día. Por eso el amor no duele lo que duelen son las emociones negativas y los apegos que traemos cargando. Este libro contiene consejos que te permitirán comprender tu relación y saber cómo tener una relación saludable basada en la salud emocional. Los temas que se abordan en este libro son: Introducción, La importancia de la pareja, ¿Atrévete a enamorarte? Por qué aceptar una relación de pareja, ¿Atrévete a tener una relación de pareja libre? Conéctate mejor conviviendo con tu pareja, ¿Qué hacer cuando se presentan los problemas? La baja autoestima afecta la relación, ¿Cómo dialogar para solucionar los problemas? ¿Qué hacer cuando se presenta una infidelidad? ¿Cuándo debemos perdonar? Lo que debes saber antes de unir sus vidas, La importancia de no tolerar, mejor aceptar.
