Hand in Hand with Joaquin Rodrigo Victoria Kamhi de Rodrigo, 1992 Composer Joaquin Rodrigo's music is an homage to the rich and varied cultures of Spain. His unique creations draw from influences that range from the ancient Roman conquerors of Iberia to modern Spanish poets and writers. Since 1933 the blind composer was assisted and inspired by his talented wife pianist Victoria Kamhi, his most important collaborator and his life's partner. This book is the story of a loving marriage and a professional struggle that led to international acclaim. After the years of exile and deprivation during the Spanish Civil War and World War II, Rodrigo's work began to gain attention and praise from the musical world. Active as critic and academic, Rodrigo has also received commissions from some of the most distinguished soloists of our era.

Los Romeros Walter Aaron Clark, 2018-06-13 Spanish migr guitarist Celedonio Romero gave his American debut performance on a June evening in 1958. In the sixty years since the Romero Family, Celedonio, his wife Angelita, sons Celso and Pepe, and Angel, as well as grandsons Celino and Lito, have become preeminent in the world of Spanish flamenco and classical guitar in the United States. Walter Aaron Clark's in-depth research and unprecedented access to his subjects have produced the consummate biography of the Romero family. Clark examines the full story of their genius for making music from their outsiders' struggle to gain respect for the Spanish guitar to the ins and outs of making a living as musicians. As he shows their concerts and recordings behind the scenes, musical careers, and teaching have reshaped their instrument's very history. At the same time, the Romeros have organized festivals and encouraged leading composers to write works for guitar as part of a tireless, lifelong effort to promote the guitar and expand its repertoire. Entertaining and intimate, *Los Romeros* opens up the personal world and unfettered artistry of one family and its tremendous influence on American musical culture.
