The Master Builder Henrik Ibsen,2019-03-27 With The Master Builder or Master Builder Solness as the title runs in the original we enter upon the final stage in Ibsen s career You are essentially right the poet wrote to Count Prozor in March 1900 when you say that the series which closes with the Epilogue When We Dead Awaken began with Master Builder Solness Ibsen says Dr Brahm wrote in Christiania all the four works which he thus seems to bracket together Solness Eyolf Borkman and When We Dead Awaken He returned to Norway in July 1891 for a stay of indefinite length but the restless wanderer over Europe was destined to leave his home no more He had not returned however to throw himself as of old into the battle of the passing day Polemics are entirely absent from the poetry of his old age He leaves the State and Society at peace He who had departed as the creator of Falk in Love s Comedy now on his return gazes into the secret places of human nature and the wonder of his own soul
